2013–2014 Application Form

Some years ago, support staff were not members of the Ohio Education Association. Today, OEA Education Support Professional members are actively involved in the Association, in bargaining, political action, community organizing, and school restructuring efforts, as partners with their teacher colleagues.

Once a year, OEA/NEA members join school districts and communities on National Education Support Professional Day to honor the many dedicated education support staff around the nation. The OEA Executive Committee approved a special annual honor, the OEA Education Support Professional Award, to further emphasize the contributions of education support professionals to their schools, communities, and all education workers.

OEA will present the Education Support Professional Award to an OEA member whose activities reflect the contributions of education support professionals to public education. Nominations may be submitted by any member and/or affiliate of the Ohio Education Association. **Current members of the OEA Board of Directors and the Professional Efficacy Core Function Committee are not eligible for this award. In addition, members of the Professional Efficacy Core Function Committee are not eligible for two years after completion of service on the committee to apply or be nominated.**

The award will be presented at the OEA Spring Representative Assembly as well as the OEA Awards Banquet in Columbus. For additional information, please contact OEA Program Delivery at
