

## **Teach to Lead Event - Focus- English Learners APRIL 7th, 2018**

This is an opportunity for advocacy teams to collaborate in meeting the needs of English Learners in your district and community. Your team will be assigned a Critical Friend to assist you in working out your ideas and plan using a Logic Model. There will be opportunities to network with other districts, stakeholders and Ohio EL experts to assist your team.

The mission of Teach to Lead is to: *expand opportunities for teacher leadership by providing resources, facilitating stakeholder consultation and encouraging professional collaborations to develop and amplify the work of teacher leaders.*

To advance this mission, the Summit will allow you and your team to:

- Share and learn from examples of existing teacher leadership;
- Identify shared issues, develop ideas to address those issues, and create actionable leadership plans to execute in your schools, districts or states; and,
- Work together, network and build relationships with other EL educators, Community members, stakeholders and leaders.

### **Action required:**

- Hone in on a *specific* challenge your district or community is struggling with regarding English Learners.
- Form a team of 3-5 members. The team should include a mixture of active classroom teachers, administrators, EL educators, community members, and advocates as befits the identified challenge.
