

K-12 Student Wellness and Success Funding Fiscal Years 2020 - 2021  
(Traditional School Districts, Alphabetical by County)

<sup>1</sup> These dollar amounts are the net state foundation funding amounts paid to traditional school districts after deductions. While calculated school funding is held equal to fiscal year 2019 for fiscal years 2020 - 2021, there may be variation in a school district's net state foundation funding amount for these fiscal years due to changes in deductions.

<sup>2</sup> The census poverty percentage is the percentage of the residential population under age 18 living in a household with income below 185% of the Federal Poverty Level as reported in the 2013 - 2017 American Community Survey 5-year Estimates.

<sup>3</sup> The per pupil dollar amount, based on the census poverty percentage, will range on a sliding scale from \$20 to \$250 in fiscal year 2020 and \$25 to \$300 in fiscal year 2021. Joint vocational and community school students' per pupil funding amount is determined by their resident school district.

<sup>4</sup> These dollar amounts are estimates based on data provided by the Ohio Department of Education in March 2019. Payments for fiscal years 2020 - 2021 will be calculated using data reported in June of the previous fiscal year. No traditional school district, joint vocational school district, or community school shall receive less than \$25,000 in fiscal year 2020 and \$30,000 in fiscal year 2021. This funding is paid outside of the state foundation funding formula and is in addition to the amounts in the "Net State Foundation Funding for Each Fiscal Year" column.
