2020 OEA Minority Leadership Training Program

The OEA Minority Leadership Training Program provides participants, particularly OEA members of color, with the knowledge and skills necessary to successfully serve as leaders at all levels of the Association—local, district, state and national. The program includes leadership development experiences and support throughout the year to develop each participant’s ability to match their leadership interests with leadership opportunities to positively impact OEA’s growth as an inclusive and diverse organization.

The training will commence on Friday evening and conclude late Saturday afternoon. The program is limited to 50 participants and will include dinner, breakfast and lunch. Hotel accommodations for Friday night are available if participants do not live near the training location. Members must commit to full participation on both days. The registration is on a first-come, first-served basis.

We hope that you will join us!
