participating in  
large, orderly  
meetings.

The OEA Minority Leadership Training Program (MLTP) provides participants, particularly OEA members of color, with the knowledge and skills necessary to successfully serve as leaders at all levels of the Association--local, district, state and national. The program includes leadership development experiences and support throughout the year to develop each participant's ability to match their leadership interests with leadership opportunities to positively impact OEA's growth as an inclusive and diverse organization.
