The February 2022 billing statement is now available in the eBilling Portal, <https://ims.nea.org/ebilling/>. The most current roster is available on the eBilling portal and is accessible at any time.

**Please be sure to take time to thoroughly review your billing statement and membership roster in order to reconcile your membership information.**

- **As A Reminder:** NEA Bylaw 2-9 requires each local association to have transmitted at least forty percent (40%) of its dues to the OEA by March 15 and seventy percent (70%) by June 1, unless the contracted transmittal schedule stipulates otherwise.
- **2022-2023 Membership Enrollment Materials** will be mailed to the home address of the treasurer on record once the details have been finalized. We anticipate the Membership Enrollment Materials to mail to the home address of the Treasurer on record in June. You may want to share this information with the other officers in your local. It is important to have the correct Treasurer, and other officers on record. Please report any new election results to your OEA field office with name, address, non-work phone number and a non-work e-mail address as soon as possible. Please be aware the OEA Fund (formerly FCPE) contribution forms will be sent to the Treasurer's home address again this year.
- **Important:** The Tax Cuts and Job Act effective tax year 2018 suspended the previous deduction for job-related expenses or other miscellaneous itemized deductions that exceeded 2 percent of adjusted gross income. This suspension includes unreimbursed employee expenses such as union dues. These expenses are no longer deductible. Therefore, the annual "Deductible/Non-Deductible portion of dues" publication will not be produced. For further information please see your tax preparer or IRS publication 5307.

Thanks for your continued efforts and support.
