

OEA Member Lobby Day

.....
June 2, 2022

At the in-person lobby day, members will be briefed by OEA staff on current legislative issues and will have an opportunity to meet with state lawmakers and staff. The interaction of OEA members with elected officials is critical to improving the policies that impact students, educators, and public education.

The lobby day agenda will include opposition to **HB 616**, another anti-freedom state censorship bill that doubles-down on **HB 327** (prohibits 'divisive concepts') and adds parts of Florida's recently passed 'Don't Say Gay' law. Violations could result in license revocation and withholding school funding.

Join your colleagues at the OEA Headquarters' Presidents Room, located at 225 E. Broad Street at 9:30 a.m. for a short briefing. We strongly encourage you to schedule your meetings with legislators prior to lobby day. Find contact information for your legislator by visiting <https://www.legislature.ohio.gov>.
