

OEA Bargaining Boot Camp 2.0

OEA's Bargaining Boot Camp 2.0 is an intensive, **team-based training** that involves learning about and incorporating essential organizing and bargaining concepts into your local association's bargaining preparation. Participants will also be provided local-specific financial and health insurance analyses and a core contract language assessment. Bargaining teams will walk away from this weekend with dozens of tools they can immediately use to prepare for a successful contract campaign.

Check-in for each boot camp will begin at 9:00 a.m. on each Saturday and the program will begin promptly at 9:30 a.m. **Participants should plan on attending the entire day on Saturday as the program will not end until approximately 7:00 p.m.** The boot camp will reconvene at 7:30 a.m. on Sunday and will conclude by 2:00 p.m. All meals, materials, and single occupancy lodging on Saturday night will be provided for each participant by OEA, without cost to the local.

To ensure maximum participation each offering will be limited to a total of 48 participants, including each local's OEA Labor Relations Consultant (LRC). Selection for acceptance into a boot camp will be based on two factors:

- Willingness and availability of a local's **entire bargaining team** to participate in the boot camp, and;
- Expiration of the local's collective bargaining agreement during the 2022-2023 school year.

Boot camps will be held in four geographic areas of the state on the following dates. A local can apply to attend any of the offerings.

Fall 2022 OEA Bargaining Boot Camps

October 15-16	Cherry Valley -- Newark	Application Deadline:	September 10
October 29-30	Salt Fork State Park	Application Deadline:	September 24
November 5-6	Independence	Application Deadline:	October 1
November 12-13	Dayton	Application Deadline:	October 15

Registration will be accomplished by the "team leader" registering their local's **entire team**. To complete the registration, the team leader will need confirmation from each participant that they are willing to attend and the following information:

- Team Member's Name
- Home Email Address
- Contact Phone number
- Any known food allergies or dietary restrictions

An email regarding your application status will be sent to the team contact approximately three weeks prior to the scheduled Boot Camp.
