

Attorney Referral Program 2022-2023

During any calendar year (from January 1 to December 31), eligible members, spouses, domestic partners and dependent children are entitled to two, free 30-minute consultation sessions with any of the Association-approved attorneys under the Attorney Referral Program. During the two free sessions, you may discuss any legal matter except income tax preparation. The free consultation allows you to discuss your problems with an attorney to determine whether you need additional legal services. The attorney is not expected to draft or review documents during a consultation. If you ask the attorney to provide additional services, you will be billed at a discounted Program rate.

In addition to free consultations, members may have specific legal work performed in five “core” areas at a 30-percent reduction of participating attorneys’ normal fees. The five core areas include real estate, wills and estates, domestic relations, consumer protection (including bankruptcy) and traffic violations. A few legal services, such as help with business dealings or tax matters, do not qualify for the discounted rate. The discounted rate also does not apply to the defense of criminal violations, other than the traffic violations covered by the Program.

For your convenience, participating attorneys are located throughout the state; however, you are not limited to those closest to you.
