TIPS from OEA Secretary/Treasurer Membership Enrollment & Processing Procedures

Section III of this chapter will help you to understand the Forms and Documents you will utilize in your role as Treasurer.

Just like your personal accounts, you must balance the local's membership records. See Section III for Membership Reconciliation Procedures.

See the "Leave of Absence (LOA) Membership Reporting Guidelines" for information regarding Leave of Absence.

Dues Tables and Treasurer's Handbook Chapters are available for online access by logging into the OEA web site: www.ohea.org (Select "Login/Register" and enter your user ID and password, select "Resources", select "Secretary-Treasurer's Office", select "OEA/NEA Dues", select the current membership year "OEA/NEA Dues")

The Dues Tables and List of Affiliated Department and Associate Organizations are located at the front of the Treasurer's Handbook in the Quick Reference Section.

Sensitive member data is on all membership enrollment materials. It is therefore critical for associate representatives to use discretion when handling these materials.

Records Retention can be found in chapter 2 Accounting and Tax Issues page 2-42.

SECTION I - MEMBERSHIP

Membership Types and Codes

There are various types of memberships available to individuals in the bargaining unit.

- ACTIVE MEMBERSHIP: Open to any person who:
 - (l) is employed by or in a public school district, public or private college or university, or other public institution devoted primarily to education, regardless of the specific nature of the functions that person performs at the work site and regardless of who actually employs the person;
 - (II) is employed by a public sector employer other than a school district, college or university, or other institution devoted primarily to education, but who is employed primarily to perform educational functions;
 - (III) is on limited leave of absence from the employment described in items (I) and (II) above; or
 - (IV) is serving as an executive officer of the Association.

The Association shall continue to allow active membership to those active members who:

- have been laid off due to a reduction in force for as long as such persons are eligible to be recalled, or for three (3) years, whichever is longer; or
- have been discharged, for as long as a legal challenge to such discharge is pending, who
 agrees to adhere to the Code of Ethics of the Education Profession, and who maintains
 membership in local and district affiliates and the NEA where eligible, and who is not eligible
 for any other class of membership as defined herein; or
- are receiving a disability benefit while currently on approved leave of absence by the Board of Education and are within the first five years of the disability benefit based on the first date of eligibility of the benefit.
- active membership will be continued for an OEA member who is a military reservist called to active duty. Dues for such member will be suspended until they return to previous education employment.
- **ASSOCIATE MEMBERSHIP:** (Not currently available) Open to any person who is interested in advancing the cause of public education but who is not employed by an educational institution, agency or organization and who is not eligible for any other class of membership in the Association.
- INDIVIDUALS WITH OPEN LEGAL CASE: Individuals with an ongoing legal matter (case is not yet closed)
 must maintain membership throughout the life of the case. As these individuals have certain
 requirements including maintaining their dues obligation while the legal case is open, the local
 representative responsible for membership should contact the OEA Membership Department to
 determine eligibility and the required dues amount.

1-1 Rev 5/2023

• MEMBERS ON OFFICIAL LEAVE OF ABSENCE (LOA): A member on an official leave of absence which is approved by the employer is not free of the dues obligation while on leave. However, should the duration of the leave of absence be longer than one-half (1/2) of the school year, the member may be eligible for a dues reduction. (February 1 is the date used to determine half-year leave status.)

Leave of Absence (LOA) Membership Reporting Guidelines:

A member on official LOA, either paid or unpaid is not free of the dues obligation.

- Member on official LOA being paid full time salary: The member pays the full UEP (NEA, OEA, Uniserv, District and Local) dues. The membership does not need to be updated and the local does not need to notify OEA.
- Full-time members on official LOA not being paid their full-time salary for half or more of the school year shall pay half-time dues for their membership type. February 1 is the date used to determine half-year leave status.
- Half-time members on official LOA not being paid their full-time salary for half or more of the school year shall pay quarter-time dues for their membership type.
- Quarter-time members on official LOA not being paid their full-time salary for half or more of the school year, the local representative should contact the OEA Membership Department for the UEP dues amount.
- Only dues paying members are eligible for rights, privileges and benefits provided with unified dues.
- Contact your OEA assigned Labor Relations Consultant for questions regarding the information contained in the local bargaining contract that refers to payroll deductions and collections.

All questions regarding Leave of Absence should be directed to membership@ohea.org or by calling InfOEA at 1-844-632-4636.

1-2 Rev 5/2023

Membership Codes

Many of the forms and documents you will be utilizing require the use of Membership Type Codes. Please be sure to familiarize yourself with these identifiers.

The following levels of membership are available to the members of a bargaining unit. The codes are used for reporting/billing and classifying the different membership types.

Active Educator Full-Time (AC-1-100)

• Classroom teachers, professors, school nurses, pupil personnel workers that work more than half-time.

Active Educator Half-Time (AC-1-50)

- Classroom teachers, professors, school nurses, pupil personnel workers that work half-time or less.
- Active educators on official leave of absence for one-half or more of the school year, and who
 are not paid full-time salaries. (February 1 is the date used to determine half-year leave status.)
- Substitute employees.
- Educators in reduction in force (layoff) status for one-half or more of the school year and with statutory or contractual recall or rehire rights.

Active Educator Quarter-Time (AC-1-25)

Active Education Support Professional Full-Time (AC-2-100)

Active Education Support Professional Half-Time (AC-2-50)

 classified by the employer as full-time employees but whose actual work hours are routinely less than
 full-time hours determined by the local association.
- Education support professionals in reduction in force (layoff) status for one-half or more of the school year and with statutory or contractual recall or rehire rights.

Active Education Support Professional Quarter-Time (AC-2-25)

SECTION II - DUES

Dues tables can be found in the Quick Reference Section

Annual Dues

Association dues in Ohio are set at annual rates. Once members enroll, they have obligated themselves for the full annual dues rate appropriate to their membership classification. OEA Policy states dues are to be collected for that member even if the member is voluntarily or involuntarily terminated during the year. Any remaining dues obligation is to be withheld from the final paycheck unless the local association contract and bylaws contain other language.

Annual OEA dues of active members who are educators (such as classroom teachers, professors, school nurses, pupil personnel workers) shall be .0076 per dollar of the average salary for elementary and secondary classroom teachers in Ohio as established by the Ohio Department of Education for the second year prior to the budget year rounded to the nearest dollar, and an additional service fee shall be .0010 per dollar of the average salary for elementary and secondary public school classroom teachers in Ohio for the second year prior to the budget year rounded to the nearest dollar to be allocated to the support of the UniServ delivery system.

Annual OEA dues of active members who are education support professionals (paraeducators such as educational aides, secretaries, custodians, food service personnel, bus drivers, etc.) shall be as indicated in the Quick Reference Section under **Dues Tables**.

OEA dues of active members, whether educator or education support professionals, who are contracted to work less than half-time and are not paid full-time salaries, shall be half-time dues as indicated in the Quick Reference Section under **Dues Tables**. This could include those active members who are classified by the employer as full-time employees but whose actual work hours are routinely less than full-time hours determined by the local association. Active members who work less than one-quarter time, pay one-quarter of the NEA and OEA dues for the appropriate membership category.

In addition, the following members shall pay half-time dues as indicated in the Quick Reference Section under **Dues Tables**:

- (a) Active members on official leave of absence of one-half (1/2) or more of the school year and who are not paid full-time salaries.
- (b) Substitute employees.*
- (c) Members in reduction in force (layoff) status for one-half (1/2) or more of the school year with statutory or contractual recall or rehire rights.

*Substitutes eligible for membership through a Local Association will be defined in the local's bargaining contract. For assistance in determining eligibility, contact your Labor Relations Consultant. Substitutes not eligible for membership through a Local Association may contact the OEA Membership Department for an appropriate enrollment form.

1-4 Rev 5/2023

United Education Profession (UEP) Dues

Dues amounts include portions for Ohio Education Association (OEA), UniServ service fee, National Education Association (NEA), District and Local Association dues. This total amount is referred to as "Unified Membership" and is printed on all materials and throughout this booklet. Before using the membership forms, the amount included for local dues should be checked to ensure that the correct amount was used.

OEA is not responsible or liable for incorrect local dues amounts.

The local is responsible for the collection of dues, the transmittal of membership forms and sending dues money to the OEA Membership Department. OEA Membership Department receives dues money for OEA, NEA, district and any affiliated organizations, as well as the OEA UniServ service fee. *Money collected from members for local dues should not be sent to OEA with dues payments.* For details regarding the procedure for handling PAC (Political Action Committee) monies, refer to the Treasurer's Handbook, Chapter 3 – OEA Fund.

Any person who newly enrolls for unified membership in an affiliated local association after the start of the membership year is eligible for prorated annual dues for their classification. The prorated annual dues shall be based on whole months, September through August. The application of the prorated dues provision does not apply to the UniServ fee. The Prorate table is not applicable to an individual who has canceled membership within the same membership year.

Any person enrolling (if eligible) where no affiliated local association is in existence or where they are not eligible for membership in the affiliated local shall not be entitled to the prorated dues provision. They shall pay either the full or half rate, dependent upon whether their eligibility for membership occurs before or after February 1 of the membership year.

1-5 Rev 5/2023

SECTION III - FORMS AND DOCUMENTS

This section will review the different forms and documents utilized throughout the membership year to communicate membership information between your local association and the OEA Membership Department. A brief explanation and example of each form along with some guidelines for each have been provided. A Quick Reference Section per month has been included within the front section of this book to give you an idea of when these forms and documents would be required.

Join Now Online Enrollment info

OEA offers convenient online enrollment for new enrollments and annual renewals.

The on-line module is extremely easy to use and requires only a few "clicks" to complete the enrollment process. "Join Now" can be accessed via the OEA website at: www.ohea.org/why_belong or via QR code.

Once on the "Why Belong" web page the new member will select "Join Now" and will immediately begin the enrollment process. Upon completion of their enrollment, the new member will be provided a confirmation reflecting the information they submitted along with their new member ID number. This confirmation will be sent directly to the member via their email address and a copy will be sent to the OEA Membership Department.

An electronic roster of all online enrollments will be sent directly to the appropriate Local Treasurer's email of record as new members join.

All new enrollees must agree to continuous membership and must pay their dues obligation via the payroll deduction payment method. A cash paying member or those wishing to utilize the eDues payment method will still need to complete a paper enrollment form.

1-6 Rev 5/2023

Enrollment Form:

The Enrollment Form is an alternative way to enroll new members in your local bargaining unit.

You will be sent a limited supply of Enrollment Forms prior to the start of the membership year pre-printed with your local information including the unified dues amount for that particular membership year. Once these are completed they should be returned to OEA in the envelope provided.

Who fills out an enrollment form?

• New members in your local bargaining unit who do not wish to enroll online.

Who should not complete an enrollment form?

• Individuals already on the Continuous Membership Roster, unless they are changing pay method.

Enrollment Form Guidelines:

- Confirm the dues amount on the pre-printed enrollment form.
- All enrollment forms need a method of payment indicated (continuing payroll deduction, payroll
 deduction, cash or check). All checks should be made payable to the local association. Deposit
 any cash or check payments to the local's bank account and send one check to OEA.
- Make sure the member has signed and dated the form in all appropriate places.
 (2 signatures required.)
- At the beginning of the year a limited supply of new Enrollment Forms will be mailed to the Treasurer
 of record. Additional Enrollment forms may be requested from the Membership Department. These
 additional Enrollment forms will be sent in an electronic format.
- Return the top copy of the enrollment form to OEA as instructed in the packet.

Enrollment Form Overview:

See Example of form

The Membership Enrollment Form is to be used for new members, members who are not on the Continuous Roster or Renewal Forms.

- Social Security number is optional
- Primary Contact number is the number the member prefers to be contacted. It must not be a work phone number. It can be a cell phone number.
- Cell Phone number requires authorization to be used as a communication method.
- Signature required under membership enrollment.
- Signature required under dues authorization.

Renewal Form:

The Renewal Form is used to renew enrollment for those members who are on record as a "non-continuous" member. Each member has the option to become a "continuous" or "non-continuous" member when they initially enroll which signifies their choice to have dues deductions continue year to year automatically ("continuous") or be required to authorize those deductions each year ("non-continuous"). For those that have chosen to be "non-continuous," the "Renewal Form" must be used.

You will be sent Renewal Forms prior to the start of the membership year. These forms will be pre-printed with the individual's information as well as your local information including the unified dues amount for that particular membership year. Once the member has signed the form they should be returned to OEA in the envelope provided.

A member can also easily renew their membership online via Join Now at www.ohea.org/why_belong or via QR code.

Renewal Form Guidelines:

- A renewal form is printed for everyone on record with OEA that is a non-continuous member.
- Confirm all information including pre-printed dues amount is correct.
- If an individual does not receive a Renewal Form with their name on it and is not on the Continuous Membership Roster they **must** complete an Enrollment Form.
- Make sure the member has signed and dated the form in all appropriate places (2 signatures required).
- The membership collector must sign and date each enrollment form. This signature and date provides verification of the effective date of coverage under the OEA/NEA Legal Services Program.
- All renewal forms need a method of payment indicated (continuing payroll
 deduction, payroll deduction, cash or check). All checks should be made payable to the local
 association. Deposit any cash or check payments to the local's bank account and send one
 check to OEA.
- Return the top copy of the renewal form to OEA as instructed in the packet.

1-10 Rev 5/2023

Grace Period

Members enrolled from renewal forms on an annual basis are assumed to have continued UEP membership without interruption into the next membership year, as long as they re-enroll with their local prior to September 30. A member who re-enrolls after September 30 shall be assumed to have interrupted their membership and shall not be entitled to any privileges, benefits or rights of membership for the period from September 1 to the date of their re-enrollment.

Renewal Form Overview:

See Example of form

The Membership Renewal Form is to be used for members who prefer to authorize membership each year.

- Social Security number is optional.
- Primary Contact number is the number the member prefers to be contacted. It must not be a work phone number. It can be a cell phone number.
- Cell Phone number requires authorization to be used as a communication method.
- Signature required under membership enrollment.
- Signature required under dues authorization.

Continuous Membership Roster:

The Continuous Membership Roster is a listing of all members on record for your local who have chosen to have their dues deductions continue from year to year without the need for a renewal form.

You will be sent the Continuous Membership Roster prior to the start of the membership year. This listing should be reviewed and updated with any changes necessary and returned to OEA in the envelope provided.

Continuous Membership Roster Guidelines:

- Make all changes on the Continuous Membership Roster. Do not have anyone that is on the Continuous Membership Roster complete an enrollment form unless they change their pay method.
- If a continuous member is not on this roster and does not have a printed renewal form, an Enrollment Form must be completed and returned to OEA.
- Check the total amounts on the continuous roster. Review area codes for non-work phone numbers and add non-work e-mail addresses.
- After making corrections on the Continuous Membership Roster, make two copies. The local is to keep one copy and give the other copy to the employer/board treasurer for payroll deductions.
 Return the original Continuous Membership Roster to OEA Membership in the envelope provided.
- Continuous members do not need to initial the Continuous Membership Roster. The individual membership information can be verified by a local association representative.

Continuous Membership Roster Information

Continuing payroll deduction membership can be defined as "the process which allows an individual to authorize continuing payroll deduction from year to year without any additional sign up on the part of the member." The majority of OEA members are continuous and remain loyal to the United Education Profession (UEP). Unnecessary duplication of paperwork for the member, the school district, and the local, state, and national associations can be eliminated with continuing membership.

If your local association is considering continuing payroll deduction membership, it is important that the appropriate OEA Labor Relations Consultant and persons from the OEA Membership Department in Columbus be involved in setting up the procedure for your local association. OEA personnel will be more than happy to work with local association leaders to establish an acceptable continuing payroll deduction membership program for your local. Early involvement of OEA personnel will help eliminate procedural problems that can arise when first converting to continuous payroll deduction membership.

Contact your Labor Relations Consultant if you are interested in establishing a continuing payroll deduction membership procedure for your local.

Making Corrections to the Continuous Membership Roster

An example of a continuous membership roster with typical corrections which would be sent back to OEA is included on the following page. The numbers below correspond with the circled numbers on the example continuous membership roster.

Clearly mark corrections to the continuous membership roster according to these directions so that the changes can be processed correctly.

Before distribution to the Membership Collector/Chairperson, the Local Treasurer or the local association representative should check the dues amounts. This is the amount to report to the employer payroll department. It is the responsibility of the local association to make sure the correct dues amounts are collected.

- 1. Correct name or address if the printed information is not correct.
- 2. Correct building assignments by writing the new building number (or the building name). Do not cross out a member's name and write them on another page to change building assignments. This will result in their cancellation.
- 3. Cross out any members who discontinue membership. Give the reason for the change under the address.
- 4. Do not cancel members on official leave of absence (LOA). Members on LOA for one half or more of the school year and are not paid their full-time salary shall pay one half of the annual UEP dues for their appropriate membership type. Refer to "Leave of Absence (LOA) Membership Reporting Guidelines."
- 5. This shows a NEA life member that has fully paid their NEA dues. (OEA and NEA life memberships are no longer available and were stopped in the early 1970's.) This information is indicated as a membership type of AC-7-100 and 0.00 dues to collect. These members must pay any other association dues for which they do not hold a life membership.
- 6. If a member wishes to join any affiliated department and/or associate organizations, write in the organization's code (the codes are available on the back of the renewal and enrollment forms) and dues. Please note that if a member joined any associate organizations the previous year, the number and dues amount is already indicated on the continuing membership roster. If the member does not wish to continue their membership in the affiliate organization, simply cross out the dues for that organization. Make sure the correct amount is added to the Total amount.
- 7. Indicate a membership type change under the type list, i.e., half time to full time, full time to half time, etc. Change the "Total:" amount to reflect this change. Do not fill out an enrollment form for a type change.

ONCE CORRECTIONS ARE COMPLETED, MAKE TWO COPIES OF THE ORIGINAL CONTINUOUS MEMBERSHIP ROSTER. THE LOCAL ASSOCIATION SHOULD KEEP ONE COPY AND GIVE ONE COPY TO THE EMPLOYER PAYROLL DEPARTMENT. RETURN THE ORIGINAL AS SOON AS POSSIBLE, BUT POSTMARKED NO LATER THAN OCTOBER 15 TO THE OEA MEMBERSHIP DEPARTMENT.

Dues Transmittal Forms and Billing Statement

\triangle

See Example of form

Your local association has a written contract with OEA pertaining to the transmitting of dues. An example of this contract is included for review of contents. The Dues Transmittal Contract requires a schedule of payments to be established. Based on this language you will be sent a "Dues Transmittal Agreement" which requests the required information to establish the dues transmittal schedule. This schedule will be used, along with your local's annual dues obligation amount, to calculate the amount due the association each month in order to meet that obligation. This information directly impacts the amounts reflected on your monthly billing statement.

The Bylaws of the Ohio Education Association, reflecting the will of the membership as expressed by the delegates to the various Representative Assemblies, states the following in regard to Dues Transmittal and Enforcement Procedures:

- a. The Ohio Education Association shall enter into written contracts with affiliates governing the transmittal of dues.
- b. Affiliated District Association dues shall be collected by the Ohio Education Association and refunded to the District Association.
- c. An affiliate which becomes delinquent in its contracted transmittal schedule by more than thirty (30) days shall be assessed a penalty of one (1) percent per month on the overdue balance.
- d. Thirty (30) days prior to the Spring and Fall Representative Assembly, adjustments directly proportionate to the dues transmittal shall be made in the number of delegates to the Representative Assembly for failure to meet the provisions of contracted transmittal schedules.

Consistent with the above, the OEA has developed a Dues Transmittal Contract, which appears on the following two pages. Previously signed contracts and schedules for your local are on file at OEA.

Annually, OEA sends a "Dues Transmittal Agreement" form to the local association treasurer stating the current information contained in your "Dues Transmittal Contract." Any changes for the current membership year are to be returned to OEA postmarked on or before September 30th.

If OEA has not received a "Dues Transmittal Contract" and/or a reply to the "Dues Transmittal Agreement", your local association's current transmittal payment schedule will be the same for the future membership year.

All dues monies, whether from cash payments, payroll deduction or other methods of payment, should be transmitted to the OEA by the statement due date.

Your local dues obligation is based on the Dues Transmittal Agreement on file with OEA. The dues transmittal agreement establishes your billing cycle. If the transmittal agreement includes "summer months" you will receive billing statements for these months and payments are required even when school is not in session. In order to avoid penalties, please be sure to keep your payments in line with your billing cycle.

Example Dues Transmittal Contract (front)

Billing Statement:

A monthly billing statement from OEA is available online at https://ims.nea.org/ebilling/. The billing statement is based on information provided within the dues transmittal agreement.

The billing statement reflects the annual dues obligation owed based on the membership totals on record and the corresponding dues of the membership types confirmed by the local.

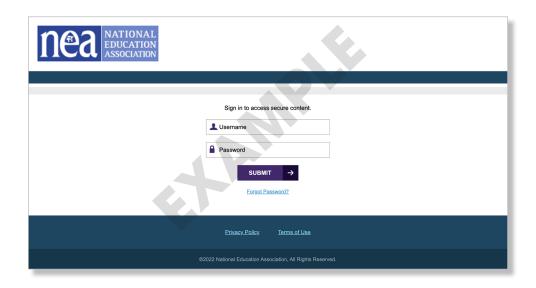

The Local Association will be billed for cash payers at 100% and monies from members collected by payroll deductions are billed in accordance with the Dues Transmittal Agreement. It is important for the Treasurer to consistently monitor and reconcile the billing statement utilizing the information from membership records from the employer and dues transmittal agreement.

In an effort to enhance efficiency while reducing mailing and production time, OEA provides the monthly billing statement in an electronic format via an online portal offered via NEA. This allows the Treasurer immediate access to this important information and provides enhanced access to membership data to allow more timely record updates and reconciliations. With the electronic billing statement, you have monthly access to your Membership Roster.

Below we have provided an overview of how to access the portal and samples of what can be viewed within the portal.

The OEA eBilling Portal- https://ims.nea.org/ebilling/

If you haven't setup your account, select "Forgot Password" and enter the email address OEA has on record for you. You will be sent an email from NEA with a temporary password to use to log in. Use the temporary password and the email address OEA has on file as the Username to log in. Once logged in, you will be required to change the password.

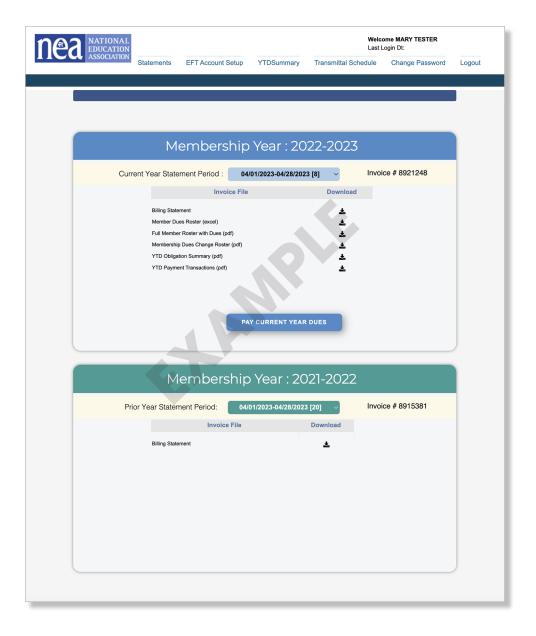

1-24 Rev 5/2023

Once you have successfully changed the password and are logged in, the eBilling homepage displays. Here you have access to view and download both current and prior year billing information.

The current membership year billing documents display first, in the blue section, and the prior year billing documents follow in the beige. The current month's billing documents display first by default. Use the drop-down box to select and view prior month's billing documents.

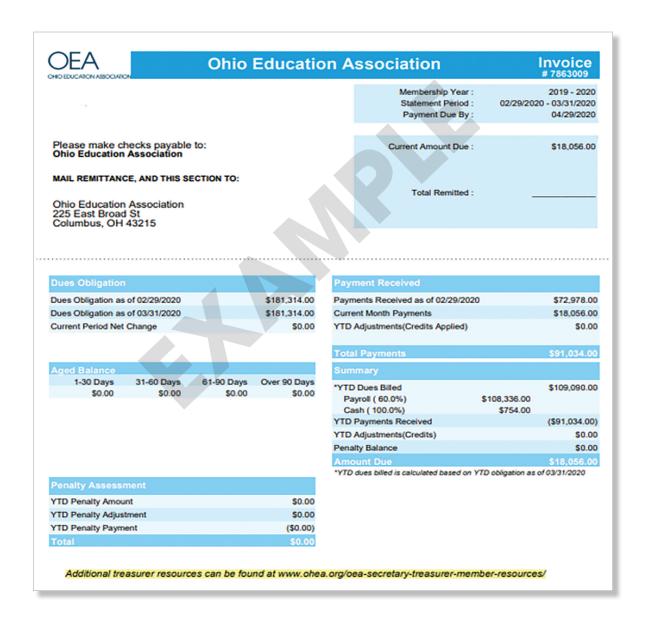

Click on the Download icons to view various reports showing the billing and membership status as of the month end close. Available reports include the current Member Dues Roster, in both excel and pdf formats; Membership Dues Change Roster, reflecting membership updates made during the month; Year to Date Obligation Summary and Year to Date Payment Transactions.

Example Billing Statement

Below is a sample of the first page of the new eBilling statement. The top section of the bill should be removed and mailed with the local's payment. If you are unable to print the bill, please ensure the payment sent to OEA includes the local name and 4-digit Billable Party ID on the check.

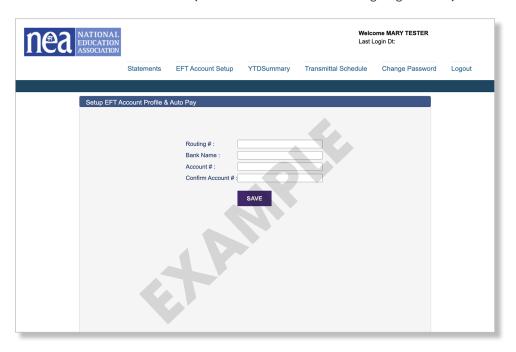

As always, we are here to help. If you have any issues accessing the eBilling portal, the billing reports, or if you have questions regarding your billing reports, please contact us. You can reach us at membership@ohea.org or InfOEA at 1-844-632-4636 Monday – Friday 8:30 AM to 5:00 PM.

Reconciliation of Local Association Members

Periodic reconciliations of the local association's members to the list of members that OEA has on record is important for the following reasons:

- To ensure all members are on record with OEA for the purpose of maintaining the applicable OEA and NEA benefits and services.
- To ensure full dues for all members are collected and to avoid loss of income to the Local Association, District, OEA, or the NEA.
- To verify that all payroll deductions for dues are collected accurately and in a timely manner by the employer payroll department and to prevent members from over or under paying dues which could result in unnecessary expenditure of resources, member concerns, or loss of income.
- To prevent the possibilities of incurring late penalty payments and potential delegate seating issues at the OEA and NEA Representative Assemblies.

Reconciliation Tips

The overall purpose of these 11 tips is for the local treasurer to maintain accurate member records, ensure proper payroll deductions are being withheld by the employer payroll department, and that the payment of dues to OEA are made according to OEA policy, your local's transmittal schedule, and Ohio laws.

- 1. Submit all local association initial enrollment materials to OEA in accordance with the timelines set forth in this handbook.
- 2. Review your local's transmittal agreement to ensure it is in-line with your bargaining unit contract's payroll deduction language.
- 3. Provide the employer payroll department with timely enrollment materials for all members paying dues through payroll deductions.
- 4. Collect full dues from cash payers at the point of enrollment and forward payment to OEA within 30 days of receipt.
- 5. Review the employer payroll deduction list for each pay period to verify all member deductions are being accurately withheld. Payroll deduction lists should accompany each dues payment received from the employer payroll department. Each list should contain the following information: name of member, a member's ID number (or last 4 digits of the social security number) and dues deduction amount. Contact your employer payroll department if you are not receiving this list.
- 6. Local Association dues paid by a check from the employer must have a payroll deduction list for each pay period accompany the payment to OEA. Work with your employer payroll department to ensure OEA and your local receives these lists.
- 7. Forward all member changes and cancellations **as they occur** to OEA on a current year Membership Update Form. A copy of this form is available online at www.ohea.org, Resources, Office of the Secretary Treasurer, Documents. Review the OEA monthly billing statement to ensure the changes are completed.

1-29 Rev 5/2023

- 8. Submit member additions, changes and cancellations to the employer payroll department in a timely manner. Review the payroll deduction list to ensure that payroll deduction amounts have been updated.
- 9. At least twice a year compare the OEA member roster to the local association's member records.
- 10. If needed, contact your Labor Relations Consultant for assistance with working with the employer.
- 11. Keep the line of communication open between you and the employer's payroll department to maintain accurate payroll deduction records for all eligible members in your local.

Membership Update Form

Along with each monthly Billing Statement, the local treasurer will receive a copy of the current year Membership Update Form that is shown on the two following pages. This form is to be used to communicate any membership changes. (It is not to be used for new enrollments.)

Please note: There is no need to send in this form if there are no changes.

Section I—This section is for changes to the individual's membership type. This would include: Member ID Number, current membership period, new membership period and description of membership type change: (i.e. Educator to Education Support Professional, or vice-versa, full time to half time, half time to quarter time, etc.). This form is not to be used for enrolling new members. An enrollment form is required to be completed and signed by new members.

Section II—This section is for changes to individual's personal information. This would include: Name, address, non-work email and non-work phone changes.

Section III Cancellations—In the last column write in the total amount of dues collected from the individual. Do not include local dues. If you are uncertain as to the amount of dues collected for the member being cancelled, call your payroll office. They should be able to give you this information. If the member paid by cash or check, the total amount collected is the total dues for the year. If this information is omitted 100% of the Dues will continue to be billed to the local association.

To help calculate how much of the dues collected was local association dues; review the worksheet example provided on the back, then use the calculation for each individual.

Membership Opt Out Requests After August 31st

It may be possible you will be presented with a membership and/or payroll deduction cancellation request from a current member during the membership year. It is important that you be aware of how those requests are to be handled. The following protocol has been implemented to help coordinate these requests:

- It will be necessary for you as Treasurer to know the specific collective bargaining agreement and
 the membership enrollment form language and policies regarding membership cancellations that
 may arise during the membership year.
- If applicable, it may be necessary for you as Treasurer, along with other Local leaders and in consultation with OEA's assigned Labor Relations Consultant (LRC), to ensure that the member is correctly informed about his/her choices related to membership and payroll deductions.
- Should the member wish to cancel their membership, you must immediately send their written request to the OEA Membership Department.
- Additionally, should OEA receive a membership cancellation directly from the member, that request
 will be forwarded to the OEA Legal Department, at which time you will be notified of the request and
 the following processes will be followed.
- The Membership Department will document all requests received and forward them to the OEA Legal Department for review.

1-33 Rev 5/2023

- During this review, the legal team will review contract language, enrollment information related to
 the member, any input you as the Treasurer or Local can provide and any other relevant information.
 This may include any drop language or membership language in the collective bargaining
 agreement and the individual's specific enrollment agreement form, the dues deduction period,
 local practices and governance documents, and any known challenges associated with continued
 deduction of the annual dues responsibility.
- Upon completion of this review, a decision regarding the request for cancellation of payroll deductions will be issued from the OEA Legal Department.
- The member and the local leadership will be notified of the final decision by OEA.
- It is important to point out that cancellation of membership may not necessarily cancel the dues obligation for that membership.
- If applicable, it will be necessary for you as the Treasurer to work with your payroll officer and/or the assigned LRC to coordinate any continuing deductions to meet this obligation. All deductions should continue until a final decision is provided regarding the membership status.
- If the determination is made to cancel the dues obligation, the membership department will reach out to you as the Treasurer to obtain the amount collected in dues prior to the date the OEA legal department has determined is the date to stop dues collections. If any dues were collected beyond this date, the local will need to reimburse the dues collected past the determination date.

SECTION IV - TREASURER HELP AND GUIDELINES

Completed Materials Checklist:

Here are some important points for the Treasurer, Membership Chair and/or Association Representatives to check once the current year membership materials are completed and ready to mail to OEA.

Provide OEA website link for online enrollment and renewals. OEA offers convenient online enrollment.
 The on-line module is extremely easy to use and requires only a few "clicks" to complete the enrollment process. "Join Now" can be accessed via the OEA website at:
 www.ohea.org/why belong or via QR code.

- The "TOTAL ANNUAL DUES" must be completed accurately on all forms and materials. The total amount of dues to be collected should be written in this box including any affiliated organizations (art, language, science teachers, etc.) that the member opted to join. The local association is responsible for collecting and transmitting the correct amount of dues to OEA Membership Department.
- All enrollment and renewal forms need a method of payment indicated (continuing payroll
 deduction, payroll deduction, cash or check). All checks should be made payable to the local
 association. Deposit any cash or check payments to the local's bank account and send one check
 to OFA.
- Make sure the member has signed and dated the form in both membership and dues authorization sections. The date determines the effective date of coverage under the OEA/NEA Legal Services Program.
- Distribute each of the four copies of the enrollment and renewal form. The top (white) sheet should be returned to OEA. The second (green) sheet should be sent to your employer payroll department if the member is using payroll deduction. The local association should keep the third (yellow) sheet. The fourth (blue) sheet is the member's receipt.
- Check the total amounts on the continuous roster and review non-work phone numbers and add non-work e-mail addresses.
- Make two copies of the continuous membership roster. Give one to the employer payroll department for payroll deductions and keep one for the local's records.
- Make sure all half-time, and quarter-time members are clearly marked on the enrollment forms by checking the appropriate box located at the top center portion of the forms.

1-37 Rev 5/2023

• Forms are to be grouped in categories, e.g., renewals, new enrollments, continuing memberships. Return all initial enrollment materials and forms in the self-addressed envelope included. This self-addressed envelope should be postmarked on or before October 15.

Collecting Forms by Building

OEA suggests a single collection point which allows for more accurate local accounting and reduces the chances of a building being missed. For larger locals, it may be easier to determine if all buildings have been accounted for in the membership collection process by having the membership forms from the building representatives sent to one person designated within the local.

Returning Materials to OEA

A self-addressed envelope is included with the membership materials. Return all initial enrollment materials and forms in the self-addressed envelope. This self-addressed envelope should be postmarked on or before October 15.

1-38 Rev 5/2023

Membership Processing and Accounting Master Schedule

The following schedule provides you an overview of the membership year and highlights those forms and activities which occur during the year. In addition, OEA collects and forwards the dues to the NEA and the OEA Districts.

(Also required for the Fiscal Fitness Award for all continuous member locals.)

Additional Helpful Reminders

Provide OEA website link for online enrollment

OEA offers convenient online enrollment. The on-line module is extremely easy to use and requires only a few "clicks" to complete the enrollment process. "Join Now" can be accessed via the OEA website at: www.ohea.org/why_belong or via QR code.

Send Only Current Membership Year Dues with Membership Materials: Include only payments for OEA/NEA/UniServ/District. **Do not include:**

- Local dues.
- Contributions to the OEA Fund.
- Checks made out to the affiliated department or associate organizations.

Clearly Identify Checks: Local association checks returned with processing materials must:

- 1) Clearly identify the Local Association's name and User Local ID or 4-digit ID from billing statements.
- 2) Clearly state if the check is for "Cash Payers."
- 3) Checks should only be for the membership year being processed. Separate checks should be written for previous years.
- 4) Checks should include only payments for dues (do not include OEA-Fund amounts).
- 5) Check made payable to the Ohio Education Association

Duplication of Information: If an individual is on the continuous membership roster, do not complete a new form unless the method of payment is changing. Make all changes directly on the continuous membership roster.

Omitting Members: If an individual signed up after June of the current membership year for continuous membership and they are not on the continuous membership roster, they must fill out an enrollment form.

Membership Deadline: Locals must submit their membership enrollment forms and/or corrected continuing payroll deduction roster on or before October 15.

Send All Membership Materials to OEA at the Same Time: Materials that are sent to OEA by building have a greater chance to be lost in the mail or left in one of the buildings. To account for all of the buildings, gather all material in a central location and follow the mailing instructions in the Membership packet.

Send Only Membership Materials in the Processing Package: Do not put any other items in the package. Send any remaining payments for previous membership year and correspondence for other departments separately.

OEA's membership and accounting process relies very heavily on the cooperation of all locals in these areas.

Guidelines for Retired Membership:

Membership in the retired division requires:

- Unified membership in both OEA-Retired and NEA-Retired.*
- An active membership in OEA for at least one year.
- Retirement through a State Retirement System in Ohio (i.e. STRS, SERS, OPERS)

*Unified membership is a requirement to maintain all NEA Member Benefits products (NEAMB).

Individuals that are officially retired, and have returned to the education profession, must join the highest level of membership for which they are eligible. Individuals in your bargaining unit are not eligible to hold an active membership in the Retired Division, and they must join as an active member.
